Refugee Relates 'Russian Nightmare'

Maria Noell, 20, native of Philadelphia, Pa., caresses the American flag upon arriving in New York after two years of what she calls a "Russian nightmare." She was living with her parents in Romania when "liberated" by the Russians, who, she says, shunted her across Russia in cattle cars, starved and beat her, forced her to work in Soviet factories. Gerald Makma, U. S. consul general in Germany, rescued her and sent her back to her native land. She does not know what happened to her parents.

Marshall Includes Russia, Britain In Economic Plan

WASHINGTON, June 12—Secretary of State Marshall said today that when he proposed European nations get together on an economic program he was thinking of Russia and Great Britain as well as other nations.

Marshall made the proposal in a speech at Harvard university a week ago. He was bombarded with questions about it at a news conference today, his first since the speech.

In his replies, the secretary of state disclosed that Winston Churchill's urging of a United States of Europe had influenced his developing the idea that Europeans should work out their own economic recovery plans and that the United States should extend financial help to put them through.

He gave no estimate today of how much financial assistance might be required but other State department officials have been talking in terms of billions of dollars a year over the next several years.

A reporter told Marshall that when Churchill talked about a United States of Europe he was talking about political organization of the continent. He asked whether Marshall advocated that.

Fractures Leg In Fall While Repairing Chimney

Charles Mathey, 40, of R. D. 4, Salem, is in Youngstown City hospital, suffering from injuries sustained in a 15-foot fall about 6 p. m. Wednesday when he was repairing a chimney at a home on Canfield rd. A rung on the ladder broke, causing the accident.

Mathey has a fractured right leg and fractured right arm and minor hurts.

Throw Away Ration Book

No Longer Needed As Controls on Sugar End

WASHINGTON, June 12—The last war-imposed coupon control over the American public vanished today, as sugar rationing for home, restaurant and hotel use ended at midnight.

After five years in which ration stamps meant more than money—when it came to meat, canned goods, shoes, tires, gasoline and a host of other things—individual Americans

are free of coupon worries for the first time since April 28, 1942.

The last ration book can be thrown away.

However, sugar price controls remain. So does rationing of industrial sugar. But these two curbs are scheduled to end Oct. 31.

Secretary of Agriculture Anderson ordered the sugar ration end late yesterday, thus beating the Republican-controlled congress to the draw. The house had set for a vote today a bill calling for an immediate end to household sugar rationing.

May Pass Bill Anyway

A Republican spokesman indicated congress would go ahead with the bill to make sure no return to controls could be ordered.

Anderson said he had acted because larger quantities of sugar are available. Asked by a reporter whether the pending congressional move influenced his action, he said: "A better way to put it would be: Did congress hurry it because it knew this action was coming?"

Sugar was the first food rationed and the last freed from coupon control.

Anderson gave three specific reasons for his action: (1) The international emergency food council allotted the United States an extra 350,000 tons from the world sugar pool; (2) Cuba has a sugar surplus which is expected to ease demands from other parts of the world; and (3) Some 200,000 tons of Japanese sugar will be offered to world users immediately.

Bulgaria Assembly Expels 23 Members

(By Associated Press) SOFIA, Bulgaria, June 12—The Bulgarian grand national assembly last night expelled its 23 Agrarian party members, who formed the chief opposition to the Communist-dominated fatherland front bloc.

The assembly voted that the 23 had resigned voluntarily, but all 23 in a final statement to parliament, contended that "we do not resign."

Nikola Petkov, now under arrest on charges of plotting against the state, is the party's general secretary. The assembly adopted a resolution saying that the Agrarians, "owing to voluntary resignation, have lost prestige and are no longer members of the grand national assembly."

The assembly voted that the 23 members would be succeeded by an equal number of opposition representatives whose names had appeared in the election lists of October, 1946.

Rev. Raymond Will Aid Presbyterian Church

Rev. Louis J. Raymond of E. Fifth st., who received his B. A. degree from Denison university this week, has been hired by the Presbyterian church session to assist the pastor, Rev. David E. Molyneux, in the church's summer program.

Rev. Raymond has served the Jersey (Licking county) Presbyterian church for two and a half years, and was assistant pastor of the Granville church until recently.

He will not relieve Rev. Molyneux of any of his pastoral duties, but will carry on additional work in young people's activities and calling. He will assist in the Sunday services.

Rev. Raymond, who graduated from Salem High school in 1941, also attended Grove City, Pa., and Mount Union colleges. He has served as supply pastor for Baptist churches in Canton and Massillon. He is the son of Mr. and Mrs. Louis J. Raymond, Sr.

Illinois Flood Waters Swamp Schoolhouse

This elementary schoolhouse in Quincy, Ill., is almost totally covered by the fast rising flood waters of the swollen Mississippi River. Elsewhere in the town, Army engineers work frantically to sand-bag a weakening levee which protects 110,000 acres of rich farmland in the western Illinois district, as state police evacuate families and livestock from the danger area.

Pushbutton Replaces Pilot On Plane's 2,000-Mile Trip

(By Associated Press) WILMINGTON, June 12—The pushbutton, symbol of modernism, has passed its biggest test as replacement for the pilot of an airplane.

No member of its 10-man crew touched the controls of a huge C-54 transport yesterday during a 2,000-mile non-stop flight from Long Beach, Calif., to the Army Air Forces' all-weather flying center here.

Time for the flight, which army spokesmen said was the longest of its kind on record, was eight hours and 46 minutes.

The plane was flown, AAF engineers said, by a new "push-button" flight system developed as part of a program to beat the hazards of flying in bad weather.

Special instruments were pre-set for the take-off, to direct the plane on a course via Denver and Cincinnati, and set it down here.

Engineers said the system should not be confused with "drones" or remote control flight, explaining that some human control must be exercised in operation of a "drone" plane.

Capt. Thomas J. Wells of Orlando, Fla., project officer and safety pilot, reported the flight from the coast was uneventful. "Landing technique" still must be improved.

Other members of the crew were: Capt. James H. E. Toner, Butler, Pa.; First Lt. Stephen J. Mazurek, Jonesville, Mich.; Tech. Sgt. Franklin Shaver, Mannington, W. Va.; Tech. Sgt. Welker McKee, Wooster, O.; Corp. William Lewis, Painesville, O.; George Johnson, project engineer of Xenia, O.; Carl Steinke, instrument specialist, Columbus, O.; W. W. Downs, Wright field, Dayton, gyroscope representative; and James Anast, chief of the all-weather division's automatic-flight branch.

The Austrian informant said the dead man was named Carlsen and added that he might have been Arnau's deputy as well as his driver, but of this he was uncertain.

Also in the car, the Austrian said, were Arnau's wife and their child.

The shooting was reported to have taken place at Berg, about 35 miles east of Vienna near the Czechoslovakian border.

A large Russian ammunition dump reportedly is located near Berg, and the Austrian informant said the Russians who did the shooting apparently were guards stationed at the dump.

BLAME SHIFTED IN MEAT PRICE HIKE

CHICAGO, June 12—The bawling steer and the grunting hog jumped back again into the public spotlight today and there were innumerable charges and counter charges in explanation for the sudden boost in meat prices in livestock markets and in butcher shops.

Average price of steers and yearlings at Chicago yesterday rose to an all-time record high at approximately \$26 a hundred pounds according to the Department of Agriculture. This topped the peak of \$25.40 established last October immediately after OPA ceilings were removed. For the first time since March 5 the top reached \$30.

Live hogs have not advanced as sharply as beef cattle, the top here yesterday being \$24.75 a hundred pounds compared with \$30.00 on Feb. 25.

GOVERNOR IS COOL TO NEW LEGISLATION

Action by Administration Leaves Labor Control Measures Stranded

(By Associated Press)

COLUMBUS, June 12—Gov. Thomas J. Herbert said today that he was "not trying to close the doors on labor legislation" in the present session of the state legislature, and that he might, if necessary, call a special session to consider such matters.

The governor's remarks were made at a news conference when he was asked to comment on the status of labor bills in the closing week of the session.

Declines Direct Comment

The governor declined to comment directly on the situation whereby the Veach and Van Aken labor control measures are stranded in the senate, but said:

"My feeling on the Van Aken bill is that I wanted to delay all general labor legislation until we knew what the federal program would be."

Herbert explained that while various labor measures had gone through congress, their outcome was in doubt because it was not known whether President Truman would sign or veto them.

He then added, "but I am not trying to close the doors on labor legislation."

The executive was asked whether he had thought of calling a special legislative session to consider labor bills.

"I will call a special session any time," he replied, "so long as labor does not live up to its responsibilities, just as I would call a special session to solve any other problem which might come up, on which I thought we had inadequate laws on the subject."

No Commitments

Herbert declared he had made no commitments to any groups as to his intentions respecting any labor legislation which might come to him.

He declined comment on the Veach measure, framed to prohibit the closed shop, saying it was "a purely legislative matter, and would not come before me anyway."

The Veach bill calls for a constitutional referendum on the subject.

Gov. Herbert reiterated his support of the Ferguson bill prohibiting strikes by public employees.

Previously senate and house members had complained openly about a possible legislative deadlock on labor measures which developed unexpectedly with only three days of the session left.

Conferees Agree On Rent Measure

WASHINGTON, June 12—House conferees have agreed on a bill extending rent controls through next Feb. 29 but permitting "voluntary" increases up to 15 per cent if landlords and tenants sign leases running through 1948.

While the final form of the bill was agreed upon, Senator Buck (R-Del.) told newsmen that the conferees will meet once more to inspect the completed version. The bill must still be approved by both House and Senate before going to the President for approval or possible veto.

Another of the Senate conferees, Senator Taylor (D-Idaho), called for a veto.

He said in a statement that the bill "for all practical purposes ends effective rent control for 16,000,000 families in the United States who have relied on its protection."

Defense Granted Permission To Interrogate Former Senator

(By Associated Press)

WASHINGTON, June 12—Justice Henry A. Schweinhaut granted today permission to the defense to call former Senator James M. Mead (D-NY) as a witness in the May-Garsson war fraud trial.

Defense counsel contends that Mead "withheld" evidence from the Justice department which would be "beneficial to the defendants" in the case.

Mead is a former chairman of the senate war investigating committee which probed wartime connections of former Congressman Andrew J. May and Munitions makers Henry and Murray Garsson.

May, wartime head of the house military committee, and the Garsson brothers are on trial on bribe conspiracy charges. May is accused of taking \$55,000 from the Garssons for official favors.

Schweinhaut ruled that questioning of Mead would be limited.

Charles J. Margiotti, chief defense attorney, had asked permission to question Mead's "motives" in conducting the senate investigation of the Garsson operations last summer.

Margiotti said the inquiry was prompted by Mead's "political motives," when Mead was campaigning for the New York governorship.

The court ruled, however, that Mead could not be questioned about any motives he may have had in conducting the investigation.

80 ENROLL FOR SUMMER SCHOOL

Approximately 80 students will be in attendance when summer school classes in five different subjects get under way in Salem High school at 8 a. m. Monday Principal Beman Ludwig said today.

'Spontaneous Incumbustion'

The spread of work stoppages among miners producing coal for the steel industry is continuing. For lack of any better explanation, the cause can be described as "spontaneous incumbustion."

Sometimes, someone will get curious about so-called unauthorized work stoppages among organized miners and find out who authorized them. The reason given for this particular strike which is not a strike is that miners are staying away from work to protest the bill regulating union practices which concern the general welfare.

The public does not believe thousands of wage earners, all of them working in company-owned mines, are capable of getting together to pull a strike that isn't a strike, unless someone is directing them to do it. The public does not believe the cock-and-bull story that this work stoppage was unauthorized.

The public does not see any difference in principle between a work stoppage which is not a strike in June and a work stoppage which was not a strike last November. In that instance, the government took action which resulted in John L. Lewis and his union being found guilty of contempt of court. Its purpose was to keep production from being needlessly crippled by the high-handedness of one man and one union.

Under the Smith-Connally act, which doesn't expire until the end of this month, the government still can take action to keep production from being needlessly crippled by the high-handedness of one man and one union.

Speedy Trials Needed

Conviction of Gerhart Eisler didn't take long once the case went before a federal jury. It deliberated only five minutes before finding him guilty of contempt of Congress as a result of his refusal to testify last Feb. 6 before the House un-American activities committee.

Without further delay, the government also is proceeding against Howard Fast, novelist, and 15 other defendants on charges of conspiracy to withhold information from the same committee.

The Justice Department would do well to prosecute cases of this type with the utmost dispatch. They have been cluttering up court calendars for months, even years, with a morass of delays and technicalities. When Communists and fellow travelers are cited for contempt of Congress, quick and vigorous prosecution is the only antidote for their contemptuous attitude and their arrogant duplicity.

Degrees—Honorary Style

This is the season when June is bustlin' out all over, with peonies to be plucked in gardens and most universities cultivating nice stands of honorary degrees. More than 1,500 such degrees will be awarded this year, June 17 being the peak of the season when Princeton puts out a bumper crop of 40. More than 50,000 have been awarded since Increase Mather in 1692 received the first, a doctorate of sacred theology from Harvard College, of which he was president.

This year civilian recipients are coming into their own again. Last year military recipients were in the majority. Herbert Hoover set an all-time high this week when he received his 57th honorary degree, doctor of civil law, from New York University. Other 1947 recipients include Bernard M. Baruch, Congressman Joseph W. Martin, Senator Warren R. Austin and Treasury Secretary John Snyder.

Most college presidents admit honorary degrees are granted principally to advertise a school. But perhaps the custom was more delicately analyzed by Dr. A. Lawrence Lowell, another Harvard president, who said, "Since the conferring of (honorary) degrees seems to increase the sum of human happiness, I am for it."

Gandhi Gives Up Hope

Seeing nothing but violence and bloodshed ahead for his beloved India under partition, Mohandas K. Gandhi says he has given up his hope of living to be 125. The most he cares to think about is a few more years. "I have to hang my head in shame," he explains.

Just what causes the mahatma to be so pessimistic isn't plain. It's easy to imagine the next half century in India won't be placid, but even an apostle of non-violence like Gandhi must admit that placidity isn't an absolute condition. Things haven't been placid the last 50 years either.

Violence seems to be the inevitable consequence of clashes between groups with strongly-held opinions. Gandhi himself has been a prime source of friction in this respect. For him to predict an era of greater violence following British withdrawal is to ignore his own considerable part in forcing the withdrawal.

Perhaps Mr. Gandhi, being 77 years old, has decided his chances of surviving another half century are negligible and is comforting himself.

Contempt Beyond Words

A Shanghai dispatch reports the city has formed a committee to investigate un-Chinese activities.

If the committee's investigations proceed along American lines, they will be something like this: Everyone questioned will protest his great, undying love for China; when a subpoena is issued for the head of an organization with some such grandiose title as "The Militant Friends of Chinese Democracy," that individual will refuse to give his real name and ask to read a statement before being sworn in. Then he will be cited for contempt. And that will be the end of the case.

Guarding Your Health

By HERMAN N. BUNDESEN, M. D.

THE pain of sciatica is one of the most clearly defined and best recognized in the whole list of aches that flesh is heir to.

In other words, there is no guess-work about it. If you have sciatica you are going to know it by the heavy, gnawing sensation which usually starts in the lower part of the back and follows the course of the great sciatic nerve down the back of the thigh and leg to the foot.

Pressure Reveals Tenderness

Pressure reveals that there is tenderness, not only over the lower part of the back, but also in the muscles of the thigh and leg.

After the condition has continued for some time, these muscles may grow flabby and become smaller in size. There may also be some disturbances of the reflexes. The pain becomes worse when there is any movement which stretches the nerve. Thus, bending the hip with the knee straight is painful, so that a patient with sciatica usually sits with his knees slightly bent. In practically all cases, when the sciatica starts, there are pain and stiffness of the lower part of the spine, and many patients have suffered previous attacks of "lumbago."

Cause of Sciatica

When it comes to the cause of sciatica, the picture is not so clear. One of the common causes is what is known as protruded intervertebral disks. The intervertebral disks are pieces of cartilage which act as cushions between the small bones of the spine. When they protrude they are out of place. According to Dr. Arthur S. Bundell Bankart of England, in about three or four out of each hundred cases of sciatica, protrusion of these disks is the cause.

In making a diagnosis of protruded disk, an X-ray of the spine is of course helpful. When the X-ray is taken, a substance known as iodized oil may be injected into the spinal canal to make the protruded disk more visible in the X-ray plate.

Another Cause

Another common cause of sciatica is arthritis of the lower part of the spine, that is, inflammation of the joints in this area. Dr. Bankart thinks that this is the most common cause of sciatica, particularly of the type which so frequently afflicts middle-aged and elderly persons.

In this condition, also, X-ray examination of the spine is helpful in making a diagnosis. In treating sciatica due to arthritis, rest in bed, perhaps the wearing of a cast to lessen movement of the joints, heat, massage and exercise all are of benefit.

Actual inflammation of the sciatic nerve may occur in occasional instances due to infection and other causes, and of course this will lead to the pain of sciatica. As a general rule, this is a mild condition and clears up with rest.

Letters to Dr. Bundesen should be addressed in care of 235 E. 45th st., New York City.

Mothers Club Dinner Party Wednesday Colorful Affair

Concluding the 1946-47 season, the Progressive Mothers club gave a colorful dinner party Wednesday evening in the Christian church social room.

Thirty-two members and guests were welcomed by the president, Mrs. Ray L. Dean.

They were seated at a large table, charmingly appointed. Bouquets of garden flowers and lighted candles and playground scenes, with swings, teeters, sandboxes etc., were featured in exquisite decorations. Place cards were a boy and girl design and the favors were miniature white vases filled with flowers.

A book review, "A Long Way From Boston" (O'Shea), by Mrs. G. E. Byers highlighted the program. She was presented by Mrs. Glenn Broomall, program chairman.

Installation of the 1947-48 officers, in a candle-light ceremony, was conducted by Mrs. Glenn Broomall, president, who was inducted by Mrs. Dean, retiring president.

In appreciation of Mrs. Dean's work, she was presented a beautiful

Carol Atkinson Wed At Leetonia

At 7:30 p. m. Wednesday at St. Paul's Lutheran church at Leetonia, Miss Carol Louise Atkinson, daughter of Mr. and Mrs. William Atkinson of Leetonia was united in marriage with Richard Leroy Cook of Springfield, son of Mr. and Mrs. Owen J. Cook, of Leetonia.

Rev. T. P. Laughner officiated at the double ring ceremony before an altar banked with palms, ferns, urns filled with white gladioli and snapdragons with lighted candles on each side.

Mrs. Don McCoy (Helen Weikart) was matron of honor and Miss Marjorie Miller, of Zanesville and Miss Jeanne Snarr, of Urbana, Delta Zeta sorority sisters of the bride at Wittenberg college, were bridesmaids. Paul W. Atkinson, brother of the bride was best man, Donald Cook, brother of the groom, Don McCoy, Joseph Weikart and William Gray were ushers.

Miss Margaret Rankin presented a program of organ melodies prior to the ceremony. Miss DeErla Smith sang the Delta Zeta sweetheart song, "My Hero," and "The Lord's Prayer."

The bride, who was given in marriage by her father, was lovely in a white satin-faced crepe dress with embroidered basque waist, long sleeves and high neckline. Her fingertip lace edged veil fell from a Juliet cap. She carried a bouquet of bride's roses with removable orchid corsage.

Mrs. McCoy, a bride of last October, wore her wedding gown of embroidered nylon, with basque waist, long sleeves and sweetheart neckline. She carried a bouquet of red roses.

Miss Miller and Miss Snarr were gowned alike in white tulle gowns, with high necklines and they wore long gloves. Each carried a bouquet of pink roses and variegated carnations.

100 at Reception
A reception for 100 relatives and friends was held in the church parlors following the ceremony. The table was laid with a cloth that was used at the wedding dinner of the bride's maternal grandparents 47 years ago. A three-tiered wedding cake centered the table with lighted tapers in triple candleholders on each end.

Mrs. Cook, a graduate of Wittenberg college last Monday, is a member of Delta Zeta sorority, was senior class representative and treasurer of the Wittenberg Women's league, and was elected to the honorary societies of Theta Chi Delta (Chemistry), Delta Pi Alpha (German) and Pi Delta Epsilon (Journalism). She is employed in the engineering department of the William Bayley Co. at Springfield.

Mr. Cook is employed at the Parker Pattern & Foundry Co., Springfield. During the war, he served with the Marines for 32 months and saw 16 months service with the 443rd Bombing squadron in the Southwest Pacific.

After a wedding trip to New York state, Mr. and Mrs. Cook will be at home at 821 Clifton ave., Springfield.

Saxon Women to Hear Reports Friday

Delegates to the recent national convention will give their report at a meeting of the Saxon Women's society Friday evening at the hall.

Honored On Birthday

To celebrate her 18th birthday anniversary, members of the Young People's class of Nazareth church carried out a surprise for Mona Gale Conley at her home, 8 S. Lundy ave. She was presented many gifts.

Lunch was served. The affair was arranged by Mrs. Mary Conley, mother of the honoree.

Among the guests were Miss Joyce Neafie of Sebring and Mrs. George Conley of East Liverpool.

Hostess to Committee

Mrs. H. A. Walton was hostess at an informal meeting of the June committee of the Presbyterian Women's association Tuesday afternoon at her home, S. Lincoln ave.

Thirteen members attended. The hostess served refreshments.

Mrs. M. A. York of Georgetown rd., and Mrs. Theodora Lindsay of Dennison grand representatives of the Order of Eastern Star in South Carolina and Missouri, respectively, left Wednesday evening for Dayton, where they will attend inspections of the Dayton chapters today, Friday and Saturday. Mr. York will join Mrs. York Saturday and they will go to Charleston, S. C., where Mrs. York will attend the grand chapter meeting of South Carolina and be guest of the grand matron, Mrs. Cora Lee Hayes.

Peggy Rose, student at Laurel school, Cleveland, has returned for the summer vacation. She is a daughter of Dr. and Mrs. G. A. Rose of E. State st.

'QUIZ QUEEN'

New York Miss, Who Operates Information Service, Knows Answers

By CYNTHIA LOWRY

NEW YORK.—Miss Laura Bankhead sits eight hours a day in a New York office answering queries which range from "what makes a bubble bath?" to "Should the title page of an annual report be printed entirely in capital letters?"

Director of the Grollier Information Service, Miss Bankhead's desk brims over with about 50,000 questions a year sent in by purchasers of her company's encyclopedias and the Book of Knowledge as well as by plain stumped citizens and professional question-answerers on the radio.

"We have some very steady questioners," she said, "like the science teacher who asked a number of questions about his field. Next he asked the source of a quotation from a love-poem; then he asked about marriage laws."

"A while later he followed with a request for information on child care. Then he asked us about divorce laws."

"But we really are confused now. He is asking how long it takes a Mongolian pheasant to hatch its eggs."

An accountant wrote in complaining that he couldn't be a social success with one of his principal clients because he was unable to make a short after-dinner speech. Miss Bankhead wrote one for him.

Hundreds of queries come in about genealogy, the United Nations, the Atlantic Charter. Recently there have been many questions about mink and earth worm farming.

Just anybody can't run into the office and propound a question, however. Grollier used to give book purchasers 10 years of question answering. Nowadays the contract customers get 100 questions with a set of books. Other people can take the q. and a. service at \$25 for 10 questions.

Talent Party Is Held By Forum Class

In a search for hidden amateur talent, the Presbyterian Forum class spent an unusual and enjoyable evening when they met Tuesday in Greenford grange hall.

Highlighted by a dinner served by the grange women, the program was in charge of Mrs. Raymond Stiver and her committee which was composed of Mr. Stiver, Mr. and Mrs. Roy Campbell, Mr. and Mrs. Walter Hofmeister and Mr. and Mrs. Wilbur Sangre.

Patterned in radio style, Stiver acted as announcer for the "Soap for Beautiful Men" program which presented Rev. David E. Molyneux, master of ceremonies, who in turn, interviewed various and unusual characters in the hunt for talent.

All participants were introduced under fictitious names but the entertainment was presented as follows:

Mrs. Stiver was the talent scout who discovered Wilma Firestone who gave accordion selections; J. W. Wernet introduced Mrs. Ralph Walton and her musical readings; Gale Dougherty was scout for his son, Richard, who played two trumpet solos accompanied by Joan Smith; Elinor Currier acted as Mrs. Louis Weirick's mother and presented her in three readings; Mrs. Campbell scouted Mrs. Frank Huber who sang several Chinese lullabies; E. S. Vincent, teacher of the class, Dan Holloway, Robert Wentz and W. W. Alsbaugh composed the barber shop quartet presented by Evans Lipp; Rev. Molyneux, Wernet, Lipp and Dougherty concluded the program with a singing commercial parody.

Mrs. Hofmeister was accompanist and led the group singing.

The dinner table was attractive with spring flowers and individual favors were miniature candy cup sailboats. Mr. and Mrs. Eugene Young, Mr. and Mrs. Dan Holloway, Mr. and Mrs. Howard Schaefer and Mr. and Mrs. Paul Risbeck were in charge of the social arrangements.

Class president, Mrs. Weirick welcomed the 65 members and guests and announced a picnic for July 8 in Centennial park.

Group 1 Has Breakfast At Miller Home

The home was beautifully decorated with garden flowers when Group 1 of the Methodist Women's Society of Christian Service gave a benefit breakfast from 10 a. m. to 12 Wednesday at the home of Mrs. R. R. Miller of S. Lincoln ave. Seventy guests were served.

Mrs. C. B. McConner, Mrs. Fred Horstman, Mrs. Ellen Grove, Mrs. Dallas Keller and Mrs. Ray Pearce composed the committee, which arranged the event.

A picnic will be held July 9 at Red Maple cottage, home of Mrs. L. P. Koenreich at Guilford lake.

Mr. and Mrs. Dwight E. Getz and daughters, Marcia and Nancy of E. Fourth st., have returned from a month's visit with her parents, Mr. and Mrs. F. E. Donbar, at Sarasota, Fla. The Donbars are former Salem residents.

Mr. and Mrs. William White of Lisbon rd. has returned from Columbus, where she visited relatives. She was accompanied home by her grandson, Leslie Coffee.

Group 3 Honors Seven Members On Birthdays

Birthday anniversaries of Mrs. A. C. Prethy, Mrs. H. P. Maeder, Mrs. E. R. Grotefend, Mrs. William Wright, Mrs. G. G. Warde, Mrs. Earl Rogers and Mrs. Harry Reitzell, members of Group 3 of the Methodist Women's Society of Christian Service, were celebrated at a dinner Wednesday at the church.

Hostesses were Mrs. William Shinn, Mrs. Roy Harris and Mrs. J. L. Goodwin.

The table was beautifully appointed and there was a center arrangement of iris, lemon lilies and snowballs.

Mrs. Roy West conducted the devotions.

Mrs. Frethy read a poem in tribute to Mrs. S. J. Broomall, who died recently.

Mrs. Ernest Hoobler was program chairman.

Mrs. Howard Holloway read an article on "Flag Day" and gave a humorous reading.

Mrs. Carl Graber and Mrs. William Wright entertained with piano and trumpet duets.

On July 9 the members will hold a picnic at the home of Mrs. Roland Beck, E. Pershing st.

Bonding Companies Must Pay State In Liquor Permit Cases

(By Associated Press)
COLUMBUS, June 12—State Liquor Director Stanley B. Cofall today asked 14 bonding companies to pay Ohio \$32,000 on surety bonds covering 32 private clubs whose liquor licenses have been revoked since Feb. 24 on charges of not being bona fide clubs.

A private club applying for a permit must post \$1,000 bond to guarantee the statements made in the application, and Cofall declared each of the 32 revocations included a charge of "false statements." The revocations were made by the state liquor board following hearings on citations by state liquor inspectors.

Cofall said the 32 were among 110 who secured permits in the closing days of the administration of former Gov. Frank J. Lausche, a Democrat who was defeated for reelection. Cofall announced last week that he would demand payment of bonds on at least 93 of these. Twenty or more still are to be heard by the board.

The 32 clubs and their bonding companies include:

Veterans of Foreign Wars, Post 411, 210 E. Lincoln way, Lisbon, (Ohio Casualty Co. Hamilton, O.)
Athens Society Rt. 46, Mineral Ridge rd., Niles, (Continental Casualty Co.)
East Niles Veteran's Canteen, 341 Grant st., Niles, (Continental Casualty Co.)
Amenal club, 580 S. High st., NE, Warren, (Continental Casualty Co.)
Belmont club, Mahoning ave., ext., Warren, (Continental Casualty Co.)
Trumbull County G. I. Canteen, Niles-Warren rd., St. Rt. 169, Niles, (American Casualty Co.)

House Committee Raps Federal Housing Agency

WASHINGTON, June 12—The House appropriations committee declared today the Federal Public Housing Authority has "failed miserably" to meet its purpose.

It said more than 31 per cent of all public housing, intended for low income tenants, is occupied by persons who make more money than the maximum permissible or are otherwise ineligible.

"The FPHA," it said, "has taken virtually no action to rectify this situation."

The committee said a provision of the U. S. housing act which called for the elimination of one shum dwelling unit for every dwelling unit built by the government "has been almost completely ignored and the slums have continued to develop and grow."

Many Never Suspect Cause Of Backaches

This Old Treatment Often Brings Happy Relief

When disorder of kidney function permits a poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty urination with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Hohenzollern Wants To Secede From German Nation

AP Newsfeatures

HECHINGEN, Germany—A movement to secede from Germany and set up shop as an independent "country" is growing in the tiny principality of Hohenzollern.

Here in the shadow of the castle housing Crown Prince Wilhelm, oldest son of the late Kaiser, the campaign is under way.

Leaflets are being distributed among the farm folk exhorting them "Remember that you are a Hohenzollern."

Peter Leyns, leader of the Christian Social Union, and president of the denazification court, has demanded special stamps and license

plates for automobiles registered in the tiny area.

Leyns is a footman for the crown prince.

He doesn't have everybody lined up behind his idea, though, not even the Germans. The "independent" group planned to proclaim the new "country" from Lindich Castle. Prof. Carlo Schmid, a Social Democrat, stepped in and blocked the scheme.

Meantime, the French military governors displayed their displeasure. They tolerate the propaganda for the movement, figuring if they suppress it, the campaign would win new converts always willing to defend a party.

Hohenzollern was the original home of the royal family that united German states into an empire under Bismarck. It is about the size of Lichtenstein, (40,000 population) and was united with Prussia under the Kaisers, even though it was surrounded entirely by Wurttemberg.

After Prussia was dissolved by the Allies, Hohenzollern was merged with South Wurttemberg.

Mayor Vetoes Pay Boost Of \$3,500 For Himself

WORCESTER, Mass. — Mayor Charles F. Jeff Sullivan has vetoed a proposed pay boost for himself. The city council passed an order directing the city solicitor to ask for state legislation enabling the mayor's salary to be increased from \$7,500 to \$11,000 annually.

In vetoing the measure, Mayor Sullivan said the time was "neither opportune nor proper" to take such a step. He said that if the salary increase were made effective in January, 1950, he would approve it.

Banking Group Elects Salem People Officers

Howard R. Schaefer and Rose Marie Walters, employees at the Farmers National bank, were named president and secretary, respectively, of the Salem-Alliance chapter

of the American Institute of Banking at a dinner meeting Wednesday evening at the Tippecanoe country club, near Youngstown.

Helen Starbuck of the First National bank was named to the board of governors.

Rev. David E. Molyneux, pastor of the Presbyterian church, guest

speaker discussed "To Have and To Hold." Rev. Fr. Richard Gaffney, pastor of St. Paul's Catholic church, gave the invocation.

A report was given on the chapter's education project for employees.

\$3 Million Damage Done By Rains to State Roads

COLUMBUS, June 12—Murray D. Shaffer, state highway director, estimated that the rainy spring had caused more than \$3,000,000 damage to the state's roads, culverts and bridges.

In addition, he said, construction work under contract, especially in southern Ohio, had been delayed two or more weeks.

Numerous small bridges have been washed out and several large bridges have been so badly damaged that they have been closed. Earl L. Reeb, chief maintenance engineer, reported.

Truman To End Canada Trip, Return To Capital

OTTAWA, Ont., June 12—President Truman wound up his trip to Canada with a holiday from official business today before starting back to Washington tonight for vital decisions on labor and tax cut legislation.

Turning tourist for a day, the United States chief executive took his official staff for an outing and a view of the Canadian countryside around Ottawa.

Receive Denison Degrees

Two Salem students awarded Bachelor of Arts degrees at Denison university, Granville, during the 114th annual commencement Monday were Dorothy Haldi, daughter of Mr. and Mrs. Charles R. Haldi, 953 Franklin st., and Robert W. Vickers, son of Mr. and Mrs. R. P. Vickers, 612 Ohio ave. They were graduated from Salem High school in 1943 and 1939, respectively.

Miss Haldi, who was elected to Mortar Board, senior women's honorary for leadership, has been active in student organizations throughout her collegiate career. She has been a leader in the Christian Emphasis program including work in community service and in the YWCA. She was student adviser in a freshmen dormitory during her junior year and was treasurer of Pan-hellenic council, serving as a representative of her social sorority, Alpha Omicron Pi.

She was awarded a B. A. degree with honors in sociology for her thesis on "Underprivileged Children in Licking County."

Vickers, who majored in chemistry, had attended Denison for three years before the war and he withdrew to enter industry. At Denison he was a member of Kappa Sigma fraternity and was a member of the Chemistry society and on the staff of the Denisonian, weekly newspaper.

Ritchie Graduates

Robert Ritchie, son of Mr. and Mrs. Paul Ritchie of Morris ave., was graduated from Wittenberg college, Springfield, at commencement exercises Monday, receiving his Bachelor of Science degree in the school of education.

Ritchie, who was president of the student council in his senior year, was also a member of the Skull and Chain, men's honorary society; the Wittenberg Varsity club and the Lambda Chi Alpha fraternity and served this fraternity as president in his junior year.

He received varsity awards in basketball and baseball.

Mr. and Mrs. Ritchie attended the commencement. They were accompanied home by Robert and David, the latter having completed his freshman year at this college.

Robert plans to spend the summer at home and this fall take a teaching and coaching position.

Work To Start Soon On Columbiana Building

COLUMBIANA, June 12—Work will be started as soon as a steam shovel is available on preparing the site for the addition to the municipal equipment and repair building on West st.

The addition, approximately 60x100 feet, will be used as a tool shop. The present equipment building occupies the site of the original waterworks and electric light plant and power house, which was destroyed by fire some 15 years ago. It was built in connection with the installation of the water and light plant in 1895, and was replaced by a new fire-proof building after its destruction. The original plant was superseded by the system of wells south of town, including the pumping station and water softener, while the electric current is distributed by the Ohio Edison over the municipal distribution system.

The new addition, to be built to the north side of the equipment building, will cover the site of the old reservoir.

• OBITUARY •

REX McCONNELL

Funeral service for Rex Q. McConnell, 54, Canton newspaperman, formerly of Salem, was held today. Interment was in Westlawn cemetery, Canton.

Mr. McConnell died Monday in a Canton hospital following a three-year illness of a heart ailment.

Mr. McConnell, who resided in Canton for the last 30 years was the owner of the Trades Press bureau and manager of the United Cigar store in Canton when he became ill.

A son of Mrs. Alice McConnell of Chester, and the late Criss McConnell, a widely-known East Liverpool newspaperman for many years and a former safety director, he was born in East Liverpool. He began his newspaper work on the old East Liverpool Tribune, later joined The Review and then came to the Salem News, where he remained for a short time.

He went to Canton 30 years ago as a sports reporter for the Canton News, but left the newspaper to establish the Trades Press Bureau.

Mr. McConnell was a member of McKinley lodge 431, Masons and also of the Grotto. He was secretary of the Showman's club for several

years. He was a member of the First Methodist church.

He leaves his widow, Mrs. Dorothy Joliet McConnell, to whom he was married about 25 years ago; a daughter, Mrs. George Seavers, and a son, Paul McConnell at home; his mother, four sisters, Freda McConnell of Detroit, Mrs. Maxine Lewis of Chester, Mrs. Ina Mae Congrove of East Liverpool, Mrs. Grace Dunn of Aliquippa, and a brother, Kent McConnell of Detroit.

MRS. SAMUEL MICKLEY

Word has been received of the death of Mrs. Clara Zimmerman Mickley, 69, of Willsboro, Pa., formerly of Salem, Wednesday evening at her home.

She was the widow of Samuel Mickley and for years was employed at the W. S. Fawcett store.

Since leaving Salem approximately 25 years ago, she had lived in Chicago and Alliance. She had resided in Willsboro for 11 years.

Surviving are one son, Franklin George Mickley, and one brother, H. L. Zimmerman, both of Chicago.

Funeral service will be held at 2 p. m. Saturday at the Arbaugh-Pearce funeral home in charge of Rev. R. J. Hunter, pastor of the Baptist church. Burial will be in Grandview cemetery.

Friends may call Friday evening at the funeral home.

British Women's Golf Title Won By American

GULLANE, Scotland, June 12—Mrs. Babe Didrikson Zaharias of Denver, became the first American ever to win the British women's amateur golf title today by defeating Jacqueline Gordon of London, 5 and 4, in the 36-hole final.

Held even during the morning's 18 hole round while she was dressed in grey culottes and a yellow sweater, Mrs. Zaharias switched to her battle dress of blue corduroy slacks at the lunch hour and quickly won a five up advantage in the first six holes of the afternoon. She was cut in 36 as compared to women's par of 37, blasting an eagle three on the 20th hole.

Hine Garage Set For New Opening

A complete line of Ford automobiles and trucks will be on display Saturday when the H. I. Hine Motor Co., S. Broadway, observes the official "grand opening" of its new garage building, at the northwest corner of Franklin.

The garage and all its modern equipment will be open to public inspection all day Saturday. There will be a display of automobiles, brought here especially for the occasion.

The Hine garage formerly was located on W. State st.

The new building, which has been in use for several months, includes complete and modern car servicing equipment, body and fender department and gasoline service station.

A staff of expert mechanics is on hand for all types of work.

Mental Illness Prevails In Rural Areas, Is Claim

CHICAGO—The American Public Welfare Association has released a study indicating that mental illness is as big a threat in rural areas as it is in cities.

The survey was conducted by the Ohio Department of Public Welfare in Miami County, a typical semi-rural district.

Thirty per cent of all the grammar school children studied showed evidences of poor mental health, the association reported.

The association said the study

also revealed that high mental illness in rural areas was closely allied with juvenile delinquency and high divorce rates. The Miami County divorce rate has increased 500 per cent since 1940, the survey showed.

HOUSE MOVERS STRUCTURAL STEEL RAISERS

Explanation of Car Prices Made

(By Associated Press)
NEW YORK, June 12—Automobiles will be sold at pre-war prices "immediately—when we can buy steel at 1941 prices add capacity and equipment at 1941 costs and when employees work for 1941 wages," Ernest A. Breech, executive vice president of the Ford Motor Co., declared today.
In a speech prepared for delivery at the annual awards luncheon of the American Marketing association, Breech said that it is idle to talk of price reductions when wage rates and other costs are rising.
"It is economic day dreaming—a wishful remembering of days past—to join in the chorus which keeps calling for 1941 prices," he said.

EAST GOSHEN

Virgil Malmsterry, who has been manager of the feed store at Garfield for nine years, has resigned and has purchased a feed mill in Louisville. He will take possession July 1.

Greater mileage... Greater safety
in Sohio's great new **ATLAS** tire!

See? More rubber on the road
—that means more mileage—
greater safety. That's why it
outwears any pre-war, first-
line quality tire ever made!

An entirely new tire is now making its mark on the highways of America.

In its development, 392 separate tread designs of every possible type were built into actual tires and taken out to the testing grounds with two objectives in mind—longer mileage, greater safety. The mark you see at the left is the mark of the tread which outlasted every other tread design.

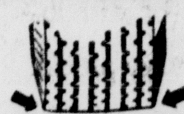

This new longer mileage Atlas is backed by SOHIO'S famous Atlas guarantee—one of the broadest ever written, with instant make-good at \$8,000 Atlas Dealers coast to coast.

IT'S WIDER!

for mileage and safety
More rubber on the road spreads the wear . . . makes the rubber last . . . gives greater gripping surface.

IT'S FLATTER!

for mileage and safety
Entire width of tread shares the wear evenly. Less "spot wear"—many more miles for your money—and safer miles, too.

IT'S COOLER!

for mileage and safety
Cooler-running tread design gives you greater blowout protection. And the famous Atlas Grip-Safe anti-skid features are retained.

And, ATLAS TIRES carry SOHIO'S famous *written* guarantee.

Come in today—see this modern postwar tire.

You'll find the new ATLAS in Ohio only at

Railroader Spends His Best \$22.50 To Telephone Molotov

(By Associated Press)
OELWEIN, Ia., June 12.—M. E. Schroeder, 30-year-old railroad fireman, told today how he put through a long distance call to Russian Foreign Minister Molotov in Moscow "just to be sociable."

"It was the best \$22.50 (plus tax) I ever spent," Schroeder said in recounting the conversation which took place Sunday.

Schroeder said he reached Molotov at the Kremlin after a four and a half hour wait.

Molotov, he said, sounded somewhat surprised and asked:

"Are you in politics—do you want to talk about international affairs?"

"No I'm just an ordinary fellow who wants to be sociable," Schroeder said he told the Soviet diplomat.

"We talked about railroading briefly and then Molotov asked about the place I was calling from," Schroeder continued. "I told him about the Midwest."

"Then he turned the phone over to his secretary and the three or four other girls in his office butted in on the call."

"One of them wanted to know if I'd ever been to Hollywood. She sounded very disappointed when I said I hadn't."

Schroeder said Molotov spoke in English with a heavy accent. The railroadman added that he likes to call famous people and that once he tried to telephone Chiang Kai-Shek in China but couldn't get the call through.

NOTICE OF SALE OF BONDS

Sealed proposals will be received by the City of Salem, County of Columbiana and State of Ohio, at the office of the Auditor of the City of Salem, Ohio, at the City Hall, East State Street, Salem, Ohio, until 12:00 noon, July 9, 1947, at which time they will be publicly opened and read, for the purchase of coupon bonds at not less than par and accrued interest in the amount of \$160,000.00 dated April 1st, 1947. Such bonds will bear interest at the rate of 2% per annum, payable semi-annually on the first days of June and December of each year beginning on the first day of June, 1948. Provided, however, that bids for said bonds may be made for a different rate of interest and where a fractional interest rate is bid, such fraction shall be 1/4 of 1% or multiple thereof.

Said bonds are issued for the purpose of purchasing land and constructing, furnishing and equipping a new City Hall for the City of Salem, Ohio, under authority of the laws of Ohio, particularly the Uniform Bond Act, and in accordance with a certain Ordinance authorizing said bonds, passed on the 4th day of March, 1947. Said bonds were voted November 5, 1946, and are payable from unlimited taxes.

Said bonds shall be numbered from 1 to 160, both numbers inclusive, shall be in the denomination of \$1,000.00 each, and shall mature as follows: \$5,000.00 on June 1st and \$5,000.00 on December 1st in each of the years of 1948 to 1962 inclusive. Both bonds and interest coupons will be payable at the legal depository of the City of Salem, Ohio. Each bid must be accompanied by a certified check payable to the City of Salem, Ohio, for \$1,600.00, said check to be forfeited as liquidated damages in the event of default on the part of the bidder. All bids will be considered and awards made at 2:00 P. M., July 2, 1947, provided, however, that the right is reserved to reject any and all bids.

A transcript of proceedings evidencing the legality thereof and the printed bonds will be furnished promptly. The approving opinion of Squire, Sanders and Dempsey, bond attorneys of Cleveland, Ohio, will be furnished at the expense of the City of Salem, Ohio.

Bids should be sealed and endorsed "Bid for City Hall Bonds" City of Salem, Ohio, by Paul R. Myers, Clerk. Published in Salem News, June 5, 12, 19, 26, 1947.

Vets Find Two Can't Live Cheaply As One

MEADVILLE, Pa.—Allegheny college veteran students are finding definitely that two can't live as cheaply as one.

Polled by a service organization to determine the adequacy of government education allowances, single veterans reported their expenses average \$86.43 a month, while married veterans said their bills run up to \$143.60. The government allows single veterans \$65 a month; married men, \$90.

Three-fourths of the veteran students said they have to draw on savings, while others are receiving parental help or using income from outside jobs.

The Nation Today

By JAMES MARLOW
WASHINGTON, June 12—A big part of congress' work for 1947 may be in the air.

Congress has put a lot of its time and effort this year into a bill to increase income taxes and a bill to restrict labor unions.

Mr. Truman has opposed both. He may veto the labor bill. He may veto the tax bill. He may veto the tax bill for 1947. Congress can get up enough votes—two thirds—to re-pass them.

There's small chance congress can pass a vetoed tax bill. It probably can't pass a vetoed labor bill. The outlook is:

No income tax cuts this year. A new labor law.

This will give some idea of the work which went into the bills, both of which were rammed through by the Republicans.

In the house 33 bills, and in the senate 38 bills, to restrict labor unions were introduced. They went to house and senate committees. It was the job of these committees to come up with a single bill, after plenty of thought, examination and discussion.

So the senate committees started hearings Jan. 23 and ended March 15. Between them, the two committees heard 237 witnesses argue for and against restrictions and took a total of 6,297 pages of testimony.

In addition, there was a total of about a month of closed-door committee sessions. Then the completed bills went to full house and senate.

The house debated three days and passed its bill April 17. The senate passed its bill after debating from April 23 through May 13.

Because the house and senate bills differed, a joint house-senate committee was created to work out a single, compromise bill.

This took more closed door sessions. A compromise was reached. And, finally, full house and senate approved the compromise bill.

Now take the tax-cut bill. Tax experts, employed by congress started last fall to figure out how income taxes might be cut. They got up tables, information, ideas.

After congress opened Jan. 3 about 20 tax-cut bills were introduced. The bills went to committees of house and senate.

They had about two weeks of hearings, heard about 15 witnesses, took about 500 pages of testimony.

All this was followed by several weeks of closed-door committee sessions.

The full house acted first, passing a tax-cut bill March 27 after three days of debate. The senate, debating several days, passed its bill May 28.

Since house and senate bills differed a bit, again a joint house-senate committee was set up.

It met several times, worked out a compromise and sent it to the full house and senate which okayed it.

This bill and the labor bill went to the White House. Mr. Truman must act on the tax bill by Monday and on the labor bill by June 20.

Heating Apparatus Works Also As Cooling Device

CINCINNATI, June 12—An apparatus which heats the house in the winter and cools it in the summer was described to the Heating, Piping and Air Conditioning National association here today.

Joseph C. Fitts of New York, association secretary, described it as a pump which evaporates refrigeration gases and then blows air across coils in which the gases are condensed to produce heat. In hot weather the sealed gases operate in reverse order to produce cool air, he said.

Cost of the system, Fitts said, was considerably more than that for heating by furnace.

Super-Crane Being Created

SAN FRANCISCO—A new 450-ton twin crane the world's largest, is under construction at the navy shipyard here to speed repair of major fleet units. It will have a 100-ton greater lifting capacity than the largest ground or floating crane in existence.

CHOICE SUBURBAN BUILDING SITES FOR YOUR SUBURBAN POST-WAR HOME!!

About four acres located on Damascus Road in very nice residential section. Has frontage of 110 feet on highway and extends back to depth of 1980 feet. Spring fed well on land. This building site is in a location surrounded by nice homes. Priced to sell at \$2000.

Very good three-acre building site on Georgetown Road, just outside city limits. This tract is well located, and has fertile soil and offers exceptional possibilities for an exclusive country home. Price \$1200. We have other tracts along the same highway in the same location. Priced at six dollars per front foot.

Very good building sites on County Line road in Columbiana County, only short distance from city limits north of Salem. Road is paved and land requires very little grading. Price \$6.00 per front foot.

Outstanding building site on Goshen Road one-half-mile from city limits. This tract has 100 foot frontage and depth of 300 feet. Excellent soil situated in very good suburban neighborhood. Children hauled to Salem schools by school bus which will stop right at your door. If you want something above the average where your good home will be protected by restrictions on adjoining land, you should see this without delay. Price \$10 per front foot.

If you plan to build a new home at any time within the next two or three years, it will pay you to select your building site and purchase it now; for there is every indication that the increase in demand for good tracts such as these will cause prices to advance even though the value of older houses may be declining somewhat at the same time. These are all exclusive Fred D. Capel listings.

DEPARTMENT OF RUMORS

It's still all just talk, but it unquestionably will be of interest to hundreds of Salem basketball fans.

Salem High school, currently a few games short on the usual 17 or 18 game basketball schedule, is contemplating a trip through Southern and Central Ohio for a two or three game series with some of the best cage schools in Ohio's Class A set-up.

Officials here have written Hamilton, Newark and Middletown asking for games there in a series of dates that would make the trip possible within one week or less.

Nothing definite has been received from any of the schools yet, but if that idea fails to materialize a game may be booked with Hamilton's crack outfit at Youngstown South's field house sometime during the holiday season next year.

Either plan seems like a splendid one for Salem, for both would add considerably to this High school's prestige among the Class A circles in the state.

Hamilton, of course, is the team that laced the state champs, Middletown, twice during the regular season last year, only to lose in a one-point overtime affair during the district tournament.

Middletown and Hamilton both have all but one of their starting fives back next year and figure to be formidable for any foe, Salem, also, is expected to be rough next season. Newark is always among the state's cage powers.

DEPT. OF GOOD WISHES

Bob "Buck" Ritchie, one of Salem's best baseball, softball and basketball players, graduated Monday from Wittenberg college, Springfield, with a degree in science from the school of education.

"Buck" plans to coach basketball and baseball next fall at some high school. He is currently considering several attractive offers, one especially inviting from a school in the western part of the state.

He is one of the finest all-around athletes Salem has produced in the last decade or so and should go far as a coach. He was unusually active in college, heading his class, his fraternity and drawing down letters in both his favorite sports.

His most recent achievement in Salem was the expert managing that carried the Sinclair softball team, composed almost entirely of high school lads, to the city championship a couple of years ago.

His work with those youngsters would indicate that his coaching talents are inherent and efficient. Salem wishes Buck the best of luck.

ODDS AND ENDS

Bud Dean, another ex-Salem High athlete now in the coaching game, is trying to line up the Leontia High school coaching position. He is now head man in football and basketball at Brooksville, a small

Things Looking Up For Champion Red Sox

WHIP INDIANS THIRD TIME IN 3 ATTEMPTS

Joe Cronin Pleased With Return of Mickey Harris Wednesday

By JOE REICHLER
Associated Press Sports Writer
Things were looking up for General Joe Cronin and his Boston Red Sox today.

Back in undisputed possession of third place, and in the midst of their longest winning streak in a month, the American league champions got a big lift yesterday in the return of Leftyhand Mickey Harris.

Making his first appearance of the 47 season, the native New York southpaw pitched seven scoreless innings as the Red Sox won their third straight over the Cleveland Indians 3-0.

The league leading Detroit Tigers divided a double header with the Philadelphia Athletics. The Bengals easily won the first game 7-1 behind the seven hit pitching of big Al Benton, but were shut out 4-0 in the nightcap by Carl Scheib, a 20-year-old unheralded rookie who was making his first major league start.

Another rookie hurler, Frank Shea of the New York Yankees, had his seven game winning streak broken when Don Kooleray tripped and George Dickey singled in the 11th inning to give Joe Haynes and the Chicago White Sox a 3-2 win in Chicago.

The Chicago Cubs further tightened the blistering National league race.

Ray Mueller's pinch hit double with the bases loaded in the sixth inning drove in three mates and gave the Cincinnati Reds a 5-4 victory over the Brooklyn Dodgers at Ebbets' field. Jackie Robinson of the Brooks enjoyed a perfect day with a triple, double and two singles.

The Philadelphia Phillies nosed out St. Louis Cardinals 5-4 in Philadelphia. The Phils jumped on Howie Pollet for all their runs in the first inning after Joe Medwick had given the Cards a three-run lead with a home run.

Washington dumped the St. Louis Browns 4-2 in St. Louis last night behind the six-hit pitching of Early Wynn.

British Amateur Champ, and Cup He Won

Willie Turnesa of White Plains, N. Y., the recently crowned British Amateur golf champion, was welcomed home Monday in a noonday parade up Broadway, New York, climaxed by an official reception at City Hall. Turnesa and other members of the Walker Cup team returned on the Queen Elizabeth, which docked Monday morning. With the shiny Walker Cup, a large silver cup, Turnesa is shown in photo above on board ship, where he was honored at a party Sunday night.

FISHING LICENSE MUST BE VISIBLE

Ohio fishermen were warned again this week by the law enforcement section of the Division of Conservation that the law requiring that fishing license badges shall be visible on outer garments when fishing will continue to be enforced and fishermen apprehended not obeying this law will be subject to immediate arrest.

Commissioner H. A. Rider said, "for several years now we have been trying to break up this business of letting fishermen get by with excuses that their license badges were at home on another hat."

"We have numerous case history reports from game protectors who have followed through on a number of occasions and found that the fisherman could not produce the 'other hat'."

"Naturally, Rider said, 'such stringent enforcement steps on the toes of those who do actually have a license at home or on another hat but we are continuing to enforce the law as it is written, in order to be fair to those many thousands of people who obey the rules.'"

Springfield Board Fails To Support Schroeder

SPRINGFIELD, June 12—A vote of confidence in Springfield Public High school's coaching setup, despite opposition from Athletic Director Carl V. Schroeder, was on record here today.

The city's school board unanimously declined last night to fire Basketball Coach Elwood Pitzer and Bill Clauss, sophomore cage tutor, as Schroeder recommended.

The board refused also resignations of Track Coach L. G. Ronemus and Baseball Coach Russ H. Paugh and ignored demands by Schroeder that Football Coach Jim McDonald, one-time Ohio State backfield luminary, be required to field a "representative team" next fall or resign.

SALE OF CARDS STILL QUESTION

Neither Hannegan Nor Bredon Will Admit Negotiations

(By Associated Press)
COLUMBUS, June 12—Is Sam Bredon actually about to peddle his World Champion St. Louis Cardinals to a syndicate headed by Postmaster-general Robert Hannegan?

The Columbus Dispatch stated flatly yesterday that a deal between the 'Hannegan syndicate' and Bredon had progressed to its "final stages."

Hannegan shunned sports writers at St. Louis where he appeared after leaving Washington without disclosing his destination, and Bredon declined comment, a usual policy with him when deals are cooking.

Hannegan's Washington office said that he had denied the story when the question was put to him by telephone.

The Dispatch published its story under a St. Louis dateline and attributed it to an unquestionably reliable and confidential source. It named Edwin S. Pauley, Los Angeles millionaire, as one of Hannegan's associates in a "deal that has been completed under closely-guarded secrecy."

The report also said the deal contemplated would include the Cardinals vast chain of farm clubs, including the Columbus Red Bbirds and Rochester Red Wings.

Tire Price-Cutting War Develops In New York

NEW YORK, June 12—Retail tire dealers, anxious to unload heavy stocks, are cutting prices of passenger car tires as much as \$4 to \$6 each, a survey of dealers here disclosed today.

"Price-cutting has reached the cut-throat stage," said A. C. Schwarz, a Manhattan dealer.

He added that some retailers are working on gross margin as low as 10 per cent compared with a normal margin of 25 to 30 per cent.

Another source said some retailers are selling tires at almost the same price small dealers have to pay for them wholesale, and estimated that casings which had a \$16 ceiling under OPA can be bought today by car-owners for as little as \$9 to \$10.

Kate Smith Will Switch To Mutual Radio Chain

CHICAGO, June 12—Kate Smith says she is leaving the Columbia Broadcasting system after 16 years, because she could obtain a larger audience and more money with the Mutual Broadcasting system.

Here to accept an American brotherhood award, Miss Smith told newsmen MBS had some 400 radio stations, whereas CBS had around 190. She said her daytime radio show, now produced five days a week over CBS, would switch to Mutual June 23, and that her Sunday program would end on CBS June 29. She will not do a Sunday show next year, she said.
